

GET \$200

For every **ACCUMULATED** \$10K in sales for these **NEW** and **QUALIFIED** Products

HOW IT WORKS

- 01** Each quarter receive a \$200 Visa gift card for every \$10K in accumulated sales. \$40K in sales = four (4) X \$200 gift cards!
- 02** It doesn't matter if it's one (1) order or 20, if it adds up to \$10K you get paid!
- 03** Attached form must be submitted for payment redemption no later than 15 days after the close of each calendar year quarter.

TERMS AND CONDITIONS

- New Products must be received and shipped between 1/1/22 and 12/31/22.
- Considered taxable income by the IRS. Recipient is responsible for any tax liability associated with the money received from this program.
- Gift cards awarded quarterly for prior quarter sales. Forms not received by the deadline each quarter will not be annualized in payment.
- **Barron Lighting Group** reserves the right to cancel or amend this program at any time.
- **Barron Lighting Group** reserves the right to exclude orders where the price needed to secure the order precludes the ability to qualify the order towards the gift card incentive.
- Incentive only applies to sales of **NEW** and **QUALIFIED** Products launched 1/1/22 to 12/31/22.
- Any past due invoices or invoices not paid by the due date will either disqualify the customer from the program or will be deducted from the total sales when calculating the rebate.
