

DESCRIPTION

The FXL Series universal switchable floodlights deliver powerful, energy-efficient illumination with enhanced flexibility. Featuring field-switchable color and power, the FXL adapts seamlessly to a wide range of applications with lumen packages from 10,500 to 76,040 lumens (See [FXL 20-80W](#) spec for lumen packages from 650 to 12,350 lumens). Precision-designed optics are field-switchable between 55°, 75°, and 90° to allow tailored light distribution for everything from narrow pathways to wide building facades. With both slipfitter and trunnion mounts included, the FXL simplifies installation across landscaping, walkways, long docks, signage, and a variety of outdoor spaces requiring robust flood lighting. Engineered for longevity, the FXL boasts a rated life of 100,000 hours and efficacies up to 163 lumens per watt. The FXL series is your go-to solution for maximizing performance, energy savings, and eligibility for utility rebates—all in one rugged, high-performing fixture.

SPECIFICATIONS

Construction:

- Die-cast aluminum housing in a bronze powder coated finish
- Clear tempered glass lens
- Integral heat sink maximizes heat dissipation for longer LED life
- Trunnion and slipfitter mounts are included, yoke mount available
- Power level and CCT dip switches located on back of housing
- 6' Three conductor whip for building power supply
- 6' Two conductor whip for 0-10V dimming wires

Optics/LEDs:

- Field-switchable distribution between 55°, 75°, and 90°, switch located on back of housing
- 150W-500W models offer lumen packages from 10,500 - 76,040 lm (See [FXL 20-80W](#) spec for lumen packages from 650 - 12,350 lm)
- Efficacies up to 163 lm/W
- Easily field-switchable between 3000K, 4000K and 5000K CCT
- L70 >100,000 hours
- L90 >50,000 hours
- CRI >80

Electrical:

- 120-277VAC, 50/60Hz
- 0-10V Dimming driver
- Power Factor ≥ 0.90
- Integral on/off photocontrol standard on 150W unit, located on back of housing
- NEMA 3-Pin receptacle standard on 250-500W units, shorting cap included

Installation:

- Fixture comes standard with trunnion and slipfitter mounts, yoke mount (FXL-YK-150, FXL-YK-250/320, FXL-YK-500) accessories available for field installation
- Coin plugs on back of housing provide ease of access to dipswitches for power and CCT selectability
- Switch on bottom of housing for distribution selection

Accessories:

- Yoke mount (FXL-YK-150, FXL-YK-250/320, FXL-YK-500)
- 3-Pin Twist Lock universal photocontrol (120-277VAC) for dusk to dawn lighting control (TLPR)

Testing & Compliance:

- cULus Listed for Wet Locations
- IP65 Rated
- DesignLights Consortium® (DLC) PREMIUM Qualified

Warranty:

- Five Year Warranty (Terms and Conditions Apply)
