

The RFX-WET series is an economical, versatile solution for your LED linear exterior lighting needs. specialtyLED offers an SMD3528 standard output which is extremely flexible and low profile. The RFX-WET is completely encapsulated in a durable IP67 rated silicon housing.

Features

- Available in blue and purple
- Extremely flexible, bends and twists in almost any direction
- Rated for outdoor use
- Slim design allows installation in small and tight areas without being visible
- 18 LEDs per foot provide bright illumination
- Available in 24VDC
- Sold in 16' rolls that include a factory installed 6" lead
- Dimmable with either a magnetic or electronic dimming driver
- Field cut every 2"
- Evaluated in accordance with the parameters outlined and reported by LM-79
- 5 year warranty

Technical Specifications

- 2 wire, single color, outdoor LED ribbon flex
- Voltage: 24VDC
- IP Rating: IP67
- Dimensions: 0.398" wide, 0.168" high
- Operating distance: Up to a 50' run on a single power supply
- Viewing angle: 120°

Product Specifications

- LED specs:
 - Rated life: 50,000 hours
 - Cutting increments: 2"
 - 18 LEDs per foot
- Available in blue and purple
- Roll length: 16' standard
- Operating temperature: -32°F - 86°F (0°C - 30°C)
- Storage temperature: -40°F - 176°F (-40°C - 80°C)

Warranty

Any component that fails due to a manufacturing defect is guaranteed for one year. The warranty does not cover physical damage, abuse or instances of uncontrollable natural forces. See the full specialtyLED warranty document for detailed information. (Terms and conditions apply)

Notes						Compatible Dimming Power Supplies
¹ Requires transformer, ordered separately						Compatible Non-Dimming Power Supplies
NOTICE: Field cutting RFX-WET product requires waterproofing kit (RFX-WET-KIT)						Linear Mounting Channels

Technical Information

Color	Voltage	SMD3528 LEDs Rated Power (W/ft)
Blue	24VDC	1.46
Purple	24VDC	1.46

Accessories (Order As Separate Line Item)

Part Number	Image	Description
RFX-CSS-3528		SMD3528 strip to strip connector. <i>Strip to strip connections for a continuous run.</i>
RFX-CSP-3528		SMD3528 strip to power connector. <i>Strip to power connection.</i>
RFX-CSS-3528-FLEX		SMD3528 strip to strip connector with 2" wire spacer. <i>For strip to strip connections where corners or bends are needed.</i>
RFX-WET-KIT-3528		Outdoor water proofing and accessory kit. Includes 5 end caps, 5 power feed caps, 6 mounting clips and 2 tubes of silicone glue.
